

The mission of Dress for Success is to empower women to achieve economic independence by providing a network of support, professional attire and the development tools to help women thrive in work and in life.

Here's how **PaceSetters** can support Dress for Success and women who are ready to “Jump In”! Bring your gently used clothing to our **March luncheon** and help give a woman a new start. That's all you need to do. **Community Affairs** will take it from there! Check out the guidelines below for choosing items to give:
